Re: COVID-19/ Coronavirus

Dear Granger Resident,

With recent events brought on by COVID 19, Granger Township has worked to comply with mandates at the national and state level. We have announced that lobbies to all township buildings will be closed and the administration building will be open by appointment only on Mondays, Wednesdays and Fridays. Please call 330.239.3611 to set up an appointment. Additionally, we have compiled a list of important phone numbers and websites for your benefit. **Should you need assistance in an emergency, please dial 911.**

The Medina County Health Department has recommended that citizens limit their exposure to the public, keep a distance of six feet from others, wash hands regularly and do not touch their face.

Lastly, the Ohio Attorney General has warned Ohio residents to protect themselves from scams such as emails from the CDC, online advertisements for cures of COVID-19, groups that ask for donations of any kind, persons going door to door offering tests for the virus, and emails asking for personal information.

IMPORTANT CONTACT INFORMATION
